## Note:

Due to the unexpected (but gratifying!) high number of attendees, the Giambiagi Lecture Hall (where we are) may not be able to let everybody have a seat.

So, the meeting will be streamed also in the Denardo Informatics Laboratory, next to the Giambiagi Lecture Hall.

Please, consider also this option so everybody will be comfortable and will enjoy better the conference.

Presentations (10' each) tomorrow at 4:00PM

Social Dinner: Yacht Club Adriaco – Molo Sartorio 1 – Trieste  
Tomorrow at 7:30PM

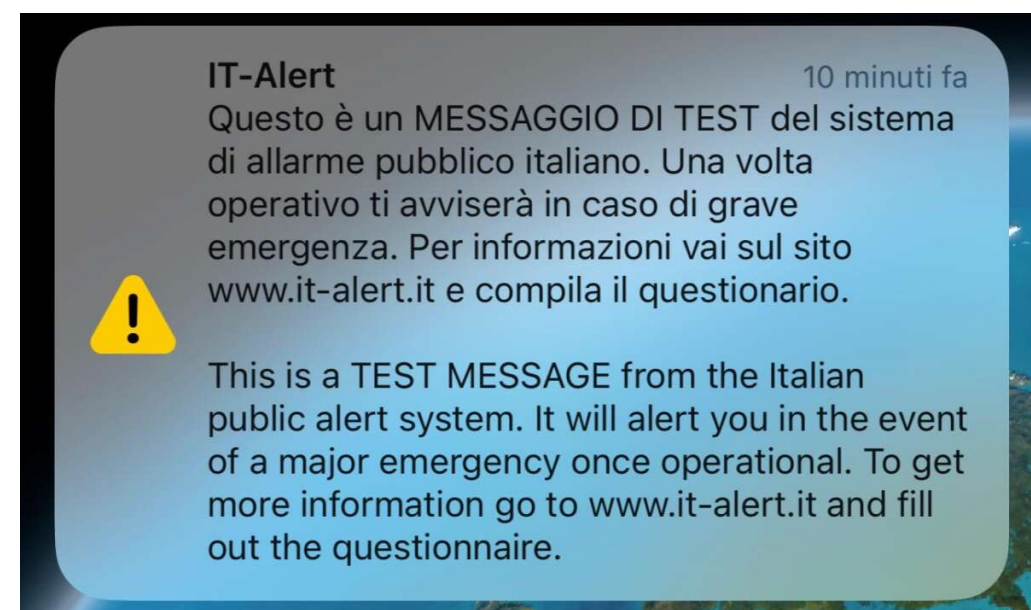

## IT-Alert:

Today, presumably at 12:00PM (Noon), everybody will in principle receive a test message from the Italian National Public Alert System...

NO WORRIES! It is just a test.
