

Architectural floor plan of a large building complex, likely a school or institutional building, featuring numerous numbered rooms and corridors. The plan includes a main entrance labeled "INGRESSO PRINCIPALE" at the top. The layout is complex, with many small rooms and larger open spaces. The numbering of rooms is extensive, covering the entire plan.

The floor plan illustrates the layout of the first floor, featuring a central corridor and several functional areas. The 'VANO TECNICO' (Technical Room) is located in the upper right, while the 'VANO INGRESSO' (Entrance Vestibule) is at the bottom center. The 'PUNTO RESTORO' (Restroom) is situated in the lower right. The 'ANTICAGNIO' (Anticorrosive) area is in the upper center. The plan includes rooms numbered 5 through 12, along with various doors, windows, and furniture. A staircase is positioned near the center. The plan is oriented with North at the top.
